

CHILD CARE FINANCIAL ASSISTANCE FOR CONSTRUCTION APPRENTICES

GREAT NEWS!

A new financial assistance program is now available to help apprentices in construction related trades reduce their child care costs

Providers must be State - Registered and/or Family, Friends and Neighbors approved through OR Department of Human Services

Who's Eligible

- Be a State of Oregon Registered Construction Apprentice.
- Must have one or more children living at home who need care.
- Spend more than 7% of household income in child care?

Example: If your household earns \$5,000/month and you pay more than \$350/month in child care, you likely qualify.

AKANA

Apprentices can apply at any time during their training period! Don't wait; support is available now!
