This program is registered with the Oregon State Apprenticeship & Training Council and is recognized by Washington State Apprenticeship and Training Council under the terms and conditions of the reciprocal agreement.

This program conforms to the Equal Employment Opportunity in Apprenticeship Plan, OAR 839-011-0200, minorities and women are strongly encouraged to apply.

This Program will not discriminate against apprenticeship applicants or apprentices based on Race, Color, Religion, National Origin, Sex (including pregnancy and gender identity), Sexual Orientation, Genetic Information, or because they are an individual with a disability, or a person 18 years old or older.

This program will take affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required under Title 29 of the Code of Federal Regulations, part 30.

CONTACT: For more information call: 503-256-7300 or visit our website at www.nwcoc.com

ON-THE-JOB TRAINING:

Approximately 6,000 hours of On-the-Job Training are required to complete this program.

Protective Signaling apprentices work indoors and outdoors, in private residences and industrial buildings, on new construction and existing structures, and in all types of weather. Individuals must be in good physical and mental condition and can perform detailed work with a good attitude.

This work can be seasonal and there can be periods of unemployment.

RELATED TRAINING:

A minimum of 144 hours per year of classroom training is required each year in the program. A minimum of 432 hours is required to complete this program.

WAGE SCHEDULE:

Apprentice wages are based upon the average wage for journey workers employed by participating training employers. The journey worker wage as of June 1, 2025, is \$40.57. Apprentices are paid a progressive percentage of that average journey wage as follows:

1 st	1,000-hour period	50% of average wage
2 nd	1,000-hour period	55% of average wage
3 rd	1,000-hour period	60% of average wage
4 th	1,000-hour period	65% of average wage
5 th	1,000-hour period	75% of average wage
6 th	1,000-hour period	80% of average wage
