

Roofer Trade Instructor

The Northwest College of Construction (NWCOC) is seeking a part-time Roofer Instructor to join our team. **This position involves teaching from 6:30am-4:30pm, Monday through Friday, during select weeks from November through April. The ideal candidate will be able to share the instructor load by teaching a specific level in a single term or throughout the school year.**

Technical Roofer Experience Required Position:

- **Installation:** proficient in installing various types of roofing systems
- **Repair and Maintenance:** Experienced in diagnosing roofing issues and performing necessary repairs and maintenance
- **Safety Protocols:** Knowledgeable about OSHA standards and best safety practices in roofing to ensure a safe working environment
- **Material Knowledge:** Understanding of different roofing materials and their properties, applications, and limitations.
- **Tool Proficiency:** Skilled in using a variety of roofing tools and equipment, including nail guns, torches, ladders, and safety harnesses

Required Skills, Abilities, Knowledge & Expertise:

- Proof of journey level experience for a minimum of three (3) years in the trade
- Organizational skills
- Strong written and oral communication skills
- Basic computer skills
- Patience and adaptability
- Enthusiasm for mentoring and guiding apprentices in their professional development
- Prior teaching experience is preferred but not required
- Preference is given to graduates of approved apprenticeship programs
- Attendance at instructor meetings is required
- Paid attendance at an Instructor Certification Training Program class is required before teaching
- Applicants must pass a background check

How to Apply?

- **Complete Application Packet:** <https://nwcoc.com/about-us/employment/>. Click "Apply Here" and submit a current resume, cover letter, NWCOC application, and three professional references.
- **Alternate Application Format:** If you have a disability or otherwise require an application in an alternate format to complete the process, you may contact us.

Why Join Us?

We are a privately funded, non-profit educational facility. Our Mission is to recruit, train and retain a highly skilled workforce for the construction industry by promoting life-long learning and excellence through career and technical education.
